

## Help Wanted

Busy RD seeks a hard working, dedicated assistant to help handle a rapidly expanding work load. A minimum IQ of 150 is required. Applicant will be on call 24 hours a day, 7 days a week. Duties include the development and analysis of recipes, meals, and cycle menus. Applicant will perform 80 or more three-day food intakes per week, design dozens of exercise prescriptions and initial assessment reports daily, produce custom-formatted Recipe-a-Week web pages for 200 hundred clients per week, and generate dozens of customized client reports and deliver them to clients in word processor, PDF, and web page formats. At least one publication-quality cookbook is expected at the end of each year.

Our compensation package provides no vacations, no sick pay, no medical insurance, no family leave, no overtime pay, and yes! - no coffee breaks either. We offer a one-time payment of \$595 for your first year or two of service. Exceed our expectations and we'll pay you another \$295 to work for us - at a higher level - for another year or two. Wimpy, slow, lazy, difficult-to-work-with, or otherwise under-qualified applicants need not apply.
